## PROFESSIONAL EXPERIENCE

---

*Malouf Companies*

Logan, UT

**Web Developer 1**

03/2024 – 06/2024

- Took on the role of lead developer for multiple website redesigns and directed the team to specific tasks.
- Worked cross-functionally with design and content departments to develop user interfaces, reusable components, and changes to data entry.
- Partnered with marketing and sales teams to translate business objectives into actionable code.
- Created new projects from scratch and checked them into source control/repositories with safeguards to protect the main branch.
- Debugged sites/applications and implemented fixes.
- Possessed knowledge of web performance issues, causes, and remediation.
- Worked with SPA and MPA sites/apps/projects.

**Jr. Web Developer**

09/2023 - 03/2024

- Completed development tasks according to a sprint schedule.
- Wrote code compliant with ADA/WCAG AA 2.2+.
- Collaborated with teammates to create implementation plans and best practices.
- Effectively prioritize work to accommodate ad-hoc support to internal clients.
- Contributed quality code as well as documentation.
- Participated in code reviews, team and new employee training, testing, and overall morale.
- Became proficient with using BigCommerce, an eCommerce platform.

*Hyatt Regency*

Salt Lake City, UT

**Banquet Server**

04/2023 – 09/2023

- Exude exceptional friendliness, customer-centricity, and a genuine willingness to provide excellent service.
- Serve menu items to over 400+ guests promptly and courteously, following the specifications in the banquet event order.
- Complete pre- and post-shift side work, including set-up, arranging condiments, and other relevant tasks.
- Clear tables after service, promptly removing trays with dirty dishes, silverware, and glassware to the kitchen for cleaning.
- Respond promptly and courteously to guest requests, taking necessary actions to ensure their satisfaction. Follow up to address any remaining concerns.

*Conservice*

Logan, UT

**Billing Manager**

11/2020 – 01/2023

- Attained a Tier 8 Billing Manager rank within 4 months, demonstrating exceptional performance.
